Council to use compulsory purchase powers for town centre regeneration project

FORCED OUT

by Rachel Burford

BBC local democracy reporter

BARKING and Dagenham Council will be able to force out property and business owners who refuse to make way for a "comprehensive" town centre redevelopment.

On Tuesday, July 17, councillors unanimously agreed to use compulsory purchase powers, if needed, in order to start a "vast" regeneration of Barking Town Centre.

The five-acre Vicarage Field development was granted planning permission last year and includes 25,000sqm of retail and office space, a hotel, a primary school, healthcare

and leisure facilities alongside more than 850 new homes.

However the plan requires the council, property investor Benson Elliot and development managers Londonewcastle to clear the existing site and demolish Vicarage Field Shopping Centre and some surrounding buildings.

Areas not owned by the council in the shopping centre, Ripple Road, Station Parade and St Awdry's Walk plus the Vicarage Field Health Clinic will be subject to the compulsory purchasing order.

The cabinet heard the council already has "a substantial proportion" of the site under its control and is still negotiating with some

business owners.

However, councillor Cameron Geddes, lead member for regeneration, said: "This is a comprehensive development for the area and there is no way we can make guarantees for everyone," he said.

"It is hard to get individual shops relocated in Barking Town Centre."

He added: "In terms of Barking in general the current offer is not great. There are very few vacancies, which is a good thing, and it is quite cheap and there is a lot to be said for that in times of austerity. [But] there are a lot of people in Barking now wanting a greater offer."

Several businesses owners attended the cabinet meeting to

voice their concerns about the proposal.

Trader Paul Scott asked: "What exactly is being proposed to help traders be relocated? This development will have less retail space than it does now."

He added that just 10 per cent of the homes in the scheme would be affordable and said leisure and retail offerings, where local people work, should be "more of a priority than housing that most locals cannot afford".

Cllr Dominic Twomey said forcibly buying land was not a decision the council would "take lightly".

Freedom of borough for 'exemplary' Kane

by Lewis Berrill

waltham@yellowad.co.uk

WORLD Cup hero Harry Kane has been given the freedom of the borough by Waltham Forest councillors following his golden boot success in Russia.

Harry Kane, who plays for Tottenham Hotspur, grew up in Waltham Forest and was born at Whipps Cross Hospital, Leytonstone, in 1973.

He lived in Walthamstow for the early part of his life before moving to Chingford, where he attended both primary and secondary schools.

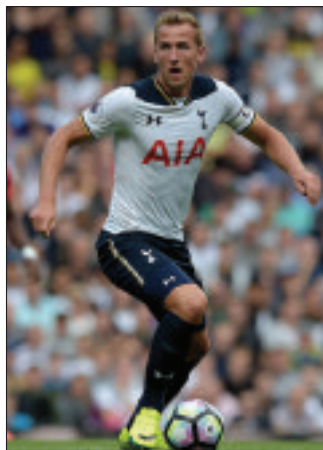

Kane scored six goals at the 2018 FIFA World Cup in Russia as England overcame penalty shootout demons to reach the semi-final, where they were knocked-out by Croatia.

Councillors unanimously voted to award the striker freedom of the borough on Thursday, July 19.

Waltham Forest council leader Clare Coghill said: "Harry Kane is a hero to millions but it isn't just his footballing ability that marks him out to be given the freedom of the borough.

"He has shown incredible perseverance and maturity throughout his career and to be captain England at a World Cup at the age of 24 shows just how much leadership qualities he possesses.

"I'm proud that our borough welcomed his Irish father, that his family could make their home here, and

he received the opportunities to make the most of his footballing talent.

"Whilst the World Cup had to come to an end, sadly one game earlier than we all hoped, our men's football team gave us much to be proud of this summer, just as the Lionesses did at last year's European Championships."

David Beckham, a former England captain, also grew up in Waltham Forest.

He was born at Whipps Cross in 1975,

Arrests over 'acid attack'

THREE men have been arrested in Walthamstow following a suspected acid attack on a three-year-old in Worcester.

Police arrested the men – aged 22, 25 and 26 – on suspicion of conspiracy to commit grievous bodily harm.

The arrests were made by the Met, on behalf of West Mercia Police, after a 3am raid on a residential address in Sutherland Road, on Monday, July 23.

The alleged attack occurred at about 2.15pm on Saturday, July 21, in a Home Bargains store in Worcester.

A three-year-old boy was taken to hospital with serious burns to his arm and face.

He has since been discharged but the long-term implications of his injuries are unknown.

Chief Supt Mark Travis, of West Mercia Police, said: "Our thoughts are with the little boy and his family at this time and we are absolutely committed to getting to the bottom of this incident."

A 39-year-old man and a 41-year-old man, both from Wolverhampton, have also been arrested on suspicion of conspiracy to cause grievous bodily harm.

All five men were charged with conspiracy to commit grievous bodily harm and were due to appear at Kidderminster Magistrates' Court on Wednesday, July 25.

A West Mercia Police spokesperson said: "For legal reasons, the force has taken the decision not to name the defendants."

JAILED: Shah Rahman

VICTIM: Brenton Roper

Twelve years' jail for role in killing

A MAN has been jailed for 12 years for his role in the killing of Brenton Roper.

Shah Mohammed Habibur Rahman, 28, of Longbridge Road, Dagenham, was sentenced to 12 years' imprisonment for manslaughter at the Old Bailey on Monday, July 23.

Rahman and his gang of four were jailed for a total of 61 years for killing Mr Roper, 41, outside his home in Bow in May 2017.

Mohammed Shaïd, 27 of Arrow Road, Bow, was found guilty of murder and sentenced to 30 years' imprisonment.

Monzur Ahmed, 27 of Whitethorn Street, Bow, was jailed for nine years and Foyzur Rahman, 28, of Beveridge Mews, Whitechapel, was imprisoned for 10 years – both were previously found guilty of manslaughter.

After sentencing the victim's fiancée, Mandy Bourne, said her life feels "so very empty."

"I am numb. There is a deep, dark hole in my heart."

Police were called at 4.29pm on May 13, 2017, to reports of a man with serious injuries in Eagling Close, Bow.

They found Mr Roper suffering from gunshot and stab injuries and he was pronounced dead at 5.37pm.

Detective Inspector Dan Setter said: "This was a brazen attack in a residential street in broad daylight, which involved shooting a man in the back, stabbing him and chasing him down the street."

Mr Roper had been involved in an argument at 3.45pm with a group of men sitting in an Audi, who he believed to be dealing drugs.

CCTV identified a Volkswagen Golf, owned by

Shaïd, seen parked in Rounton Road shortly before the murder.

Two men in hooded tops, confirmed to be Shaïd and Shah Rahman, were filmed walking towards Eagling Close.

A short time later, the cameras captured the same suspects running from the scene of the murder.

Their movements were tracked to Bromley High Street in Newham where cameras picked up a dark coloured Audi, consistent with the car seen earlier in the day.

Shaïd and Shah Rahman fled the country the day after the murder.

On June 24, 2017, officers arrested Shaïd, Ahmed and Foyzur Rahman on suspicion of murder.

Shah Rahman was arrested on September 6, 2017, having been on the run from police for about three months.

Parking charges to double for the most polluting cars

PARKING permit charges in Barking and Dagenham will double for residents with the most polluting cars.

The council's cabinet unanimously decided to raise the charges in a bid to tackle air pollution.

The changes will see car owners with the most polluting vehicles pay £140 per year for parking permits, up from £70.

Almost 1,800 residents who paid between £43 and £49 for their permits will have to fork out £80 from September 1.

Car owners who previously paid nothing because their vehicles were low emission, releasing between 50 and 100 CO2 g/km, will

now have to pay £18.

Diesel car owners whose cars do not meet the Euro 6 emission standard will face additional charges of £50 per year for the first year, rising to £75 per annum.

Councillor Margaret Mullane said the council was bringing in the charges to reduce air pollution and protect children.

She said: "Some people in the borough might just think we are on a revenue-raiser, which we are not. If we do bring this parking tickets will go down, which is a good thing."

"The safety of the children is paramount. We don't make money out of parking charges."

Town revamp

"I think we all agreed that the retail offer there at the moment is not as it should be," he said.

"This regeneration will certainly improve the economic prospects of that area."

"This is the first time I have sat in a cabinet where we have had to consider [compulsory purchase orders]. I think we are all well aware that this is the last resort of the council. This decision is not reached lightly."

"There are still negotiations to be had. I would like to see negotiations win out at the end of the day but I understand it is hard to get both parties in this space."

"The needs of the many do outweigh the needs of the few in this particular circumstance."

Council leader Darren Rodwell said any retailers or business owners with concerns could contact him directly.
